

## Super Bowl Weekend

### Key Things You Heard

- Can I be honest with you? I have no idea what you heard this week. Trying to get 30 Second Theology ideas, insights, and notes from the Tech Team is akin to stealing gold from Fort Knox. So, let's do this. Why don't each of you tell your Life Group what you heard this weekend?

### Pray

Heavenly Father, We are so thankful that you allow us to live life in a way that is not only rewarding but fun. Laughter does a heart good like a medicine. So tonight, let us not only learn and be moved by the things of God, let us laugh and have fun.

### Tweetable Moments

- The cat's out of the bag! We choose tweetable moments from the sermon notes and not the live sermon. It's the only way we can have the material ready for groups that meet on Thursdays. You'll have to come up with your own tweets this week.

### Questions for Conversation

**Icebreaker:** What is the most interesting or memorable sporting event you have attended or watched on TV?

- We all love to laugh at Jerry and Clayton as they are put on the spot and have to expound upon God's word. It is what makes the weekend so much fun. So, this week, let's give each of you a chance to experience what they go through. Take turns watching a commercial from the 2020 Super Bowl, and then you have 3 minutes to teach biblical truth. Here's a link you can use for the commercials:

## Now Go Do It (resources and next steps)

**Challenge:** Read, 1 Peter 3:15, Colossians 4:6, Matthew 5:16, and Romans 1:16. Then, pray and ask God to give you ideas on a way you can share your faith through words and deeds this week.
