Week Eight

Key Things You Heard

- God has a plan for your life.
- God had prepared you to execute his plan.
- Usually calling is very uncomfortable.
- God will complete what He calls you to do.

Pray

Heavenly Father, let me see all the things to which you have called me. Let me be open to anything that you calling me to now, even if it is uncomfortable. Above all, let me remember that if you are calling, you can do the work using me. In Jesus' name, Amen.

Tweetable Moments

- “When God calls you, it is so He can do something...not you.”
- “I challenge you to invite Jesus to come out of being a part of your life and into being the point of your life.”

Week Eight

Questions for Conversation

Icebreaker: If you were going to be famous, what would you want to be famous for?

- Have you looked at faith as a component of your life instead of the point of your life? Explain. Have you ever lived like you were not called because you haven't had a burning bush moment?
- Read 2 Timothy 1:9; 1 Peter 2:9; Ephesians 4:1-6; and Ephesians 2:10. As you read each scripture, determine what call is being referred to and how it applies to every believer's life.
- Read 2 Thessalonians 1:11-12. One way to pray is to use scriptures in your prayers. Pass out some note cards and pens or pencils. Using this passage of scripture as a template, have everyone in the group write out a prayer. Then, go around the group and have each person read their prayer. What kind of impact could you have for the Lord if God answers this prayer? How does this exercise cause you to see the impact that God can have on the world through you?
- Read 1 Thessalonians 5:24. Who is called in this verse? Who does the work you have been called to? Why is it so important to remember this? Have you ever tried to fulfill your calling through your own strength? What did you learn about God? What did you learn about yourself? How do we remember it is God doing the work when it seems like we are?
