

# MYSTERY — IN THE — MANGER

## WEEK THREE

This Facilitator Guide will help you lead the conversation. [Brackets] indicate simple cues for you, as a facilitator, and are not intended to be read aloud.

### CONVERSATION STARTER

Visit this website, <https://www.inc.com/jessica-stillman/12-hilariously-wrong-tech-predictions.html>, and read about some interesting failed tech predictions.

### DISCUSSION QUESTIONS

This week, let's spend a significant time in the Scripture. At Christmas time, we focus on the New Testament story of Jesus' birth. This week in your Life Group, let's read and discuss some of the Old Testament passages and see Jesus.

Read Psalm 22. Read this passage in its entirety. Then, go back and pick out the pieces that remind you of Jesus.

Read Isaiah 53. Read this passage in its entirety. Where do you see the death of Jesus predicted? His burial? His resurrection? His work for us?

Read Genesis 3:13-15 and 1 John 3:8. How does 1 John 3:8 shed light on Genesis 3:13-15?

### PRAY

Continue to pray this week for our Christmas Eve services. Pray for the campus you will be attending, and pray for a campus you will not be attending.
