

HIS MIGHTY STRENGTH

WEEK ONE

This Facilitator Guide will help you lead the conversation. [Brackets] indicate simple cues for you, as a facilitator, and are not intended to be read aloud.

CONVERSATION STARTER

What super hero do you remember wanting to be? Why?

DISCUSSION QUESTIONS

Read Philippians 2:6-7. Randy Frazee talked about three things of which Jesus emptied himself. What were they? [Omnipresence (present everywhere), Omniscience (all-knowing), Omnipotence (all-powerful)] Why was it necessary that Jesus do this while he walked on earth in human form?

Philippians 2:5 says, "Your attitude should be the same as that of Christ Jesus..." What would our attitudes be if this was true in our lives? In what areas do you struggle with having the same attitude as Jesus? Why?

Read Ephesians 1:18-20. In this verse, Paul says he wants us to know, "...his incomparably great power for us who believe." How great is that power? Do you find yourself living in that kind of power? Why or why not? [Next week, we will discuss how the power of the Spirit of God is realized in our lives.]

PRAY

Pray about areas of your life that you need to have the attitude of Christ. Pray that your heart, mind, and eyes will be open to the truth of God as you listen to next week's sermon. Pray that you will respond to the Truth of God's Word in a way that will change your life.
